

a call to renewal

Therefore encourage one another and build each other up, just as in fact you are doing.

Thessalonians 5:11

Enhancing our Adult and Parish Life Ministries

At Little Trinity, through hospitality and evangelism, we seek to create a welcoming and nurturing environment in which we can build one another up in Christ.

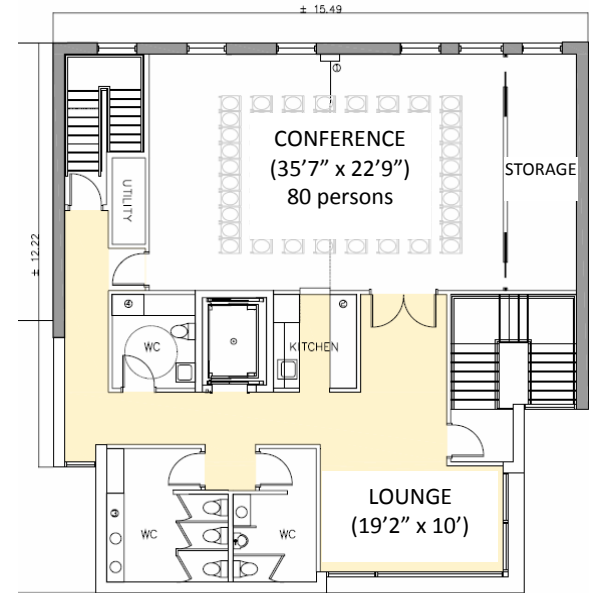

This is manifest through the work of our Parish Life ministry, in which the Little Trinity community gathers to celebrate events, share food and build the personal relationships that are a source of much comfort, strength, learning and friendship. Building each other up in Christ also happen in our adult education events that offer a chance to learn from lay leaders, guest teachers, seminar series, or courses such as those on marriage and parenting. These programs are enhanced by inviting, appropriately sized rooms with suitable kitchens and the necessary equipment supports.

One ministry that provides both hospitality and evangelism is Alpha. The heart of the Alpha program is the concept that through meaningful relationships with others we are able to introduce, foster and grow the love of Jesus in other people's lives. At each Alpha, participants share a meal, have small group discussions and build relationships. The prospect of a larger facility with medium sized meeting rooms and a functional kitchen would give this ministry the opportunity to grow.

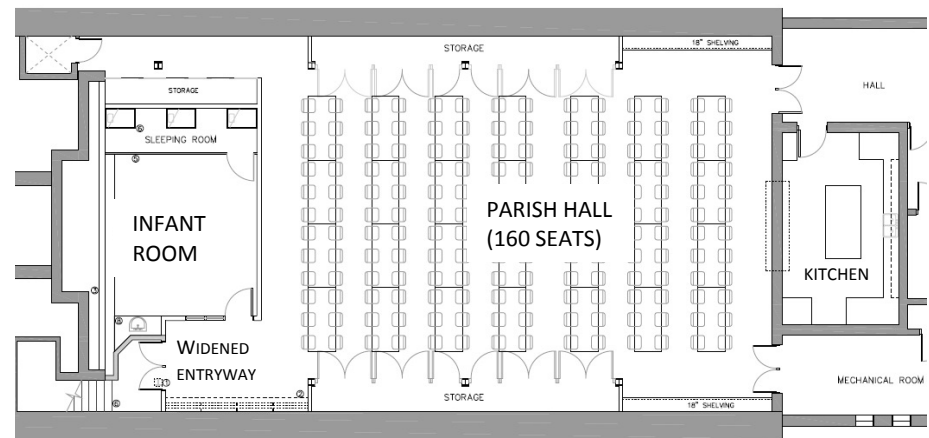

Renewed buildings and committed people ready to share their gifts will enhance these ministries and the opportunities for our members and guests to foster more intimate relationships with Jesus and each other.

To give to the campaign, please complete an available pledge card by November 30. For more information, pick up a campaign brochure or visit the website: www.littletrinity.on.ca/acalltorenewal.
