

a call to renewal

I am the vine, you are the branches. Those who abide in me and I in them bear much fruit.

John 15:5

Investing in our Youth Ministry

For over 165 years, Little Trinity has served and invested in the lives of the young people of our congregation and city, helping to nurture servants and leaders for Christ.

We currently minister to almost 50 youth and their families through a variety of programs with a group of 8 dedicated volunteers. While we are blessed with strong youth groups, the current youth space limits Little Trinity's program as we squeeze more than 30 teenagers into a space that would comfortably accommodate 15. Larger, dedicated space will offer a new spirit and new opportunities.

The development of dedicated and adequately sized space means that our youth would have a safe, well equipped place they could call 'home'. The new lounge will be their room, designed to accommodate the games, activities, jam sessions and conversations that characterize youth ministry. A kitchenette will support the important role food often plays when youth gather and the outdoor hard-surface court will broaden the range of physical activities.

This is an opportunity to enhance this exciting ministry that provides young people opportunities to meet and foster a relationship with Jesus along with others on this same journey.

To give to the campaign, please complete a pledge card (available at the back of the church or in the basement following the service.)
